The application shall be on forms provided by the Advisory board. The process will begin with the certification of the farmland to insure eligibility. A nonrefundable application fee of \$50.00 is due when the application is submitted.
2. A conservation agreement (required by N.C.G.S. 106-737 and defined in N.C.G.S. 121-35) suited to district type (VAD or Enhanced VAD) designated by the landowner to sustain, encourage, and promote agriculture must be executed by the landowner and recorded with the Advisory Board, which shall record an original of such with the Pamlico County Registrar of Deeds. **ARTICLE IX
REVOCATION, ENFORCEMENT, AND RENEWAL OF CONSERVATION
AGREEMENTS**

A. Revocation and Enforcement

1. District. By providing written notice to the Advisory Board, a landowner of qualifying farmland within a Voluntary Agricultural District may revoke the Conservation Agreement or the Advisory Board may revoke the same Conservation Agreement based on noncompliance by the landowner, subject to the same provisions as contained in Article VIII(C) for appeal of denials. Such revocation shall result in loss of qualifying farm status and loss of eligibility to participate in a district. Absent noncompliance by the landowner, neither the Advisory Board nor the Board of Commissioners shall revoke any Conservation Agreement prior to its expiration. If the Advisory Board shall revoke this Conservation Agreement for cause, the landowner shall have the appeal rights set forth in Article VIII(C). Transfers of land in a Voluntary Agricultural District due to death of the landowner, sale or gift shall not revoke the Conservation Agreement unless the land no longer qualifies for the present-use-value taxation program or, in the event that there are water or sewer assessments held in abeyance, the new owner fails to agree in writing to accept liability for those assessments in the event that the land is withdrawn either voluntarily or involuntarily from the district. Enforcement of the terms of a Conservation Agreement for land enrolled in a Voluntary Agricultural District shall be limited to revocation of the Conservation Agreement and the benefits derived therefrom.

2. Enhanced District. Conservation Agreements for land within Enhanced Districts are irrevocable for a period of 10 years. Enforcement of the terms of the Conservation Agreement may be through an action for injunctive relief and/or damages in a court of competent jurisdiction. The County may also terminate any benefits to the owner under this program either permanently or during the period of violation, as appropriate. If the Advisory Board shall revoke this

Conservation Agreement for cause, the landowner shall have the appeal rights set forth in Article VIII(C). The right to terminate program benefits is in addition to any legal rights that the County may have under either this Ordinance or the terms of the applicable Conservation Agreement. The county may seek costs of the action including reasonable attorney fees if such a provision is incorporated into the Conservation Agreement.

B. Renewal

1. District. A Conservation Agreement for land within a Voluntary Agricultural District shall not, nor need to be renewed, as it continues in perpetuity until termination in accordance with this Ordinance.
2. Enhanced District. A Conservation Agreement for the Enhanced Voluntary Agricultural District shall be deemed automatically renewed for an additional term of 3 years, unless either the Advisory Board or the landowner gives written notice to the contrary prior to the termination date of the Conservation Agreement. At the end of each three (3) year term, the Conservation Agreement shall automatically renew for an additional three (3) year term unless notice of termination is given.

When the period of abeyance ends, the assessment is payable in accordance with the terms set out in the assessment resolution.

D. Suspension of Statute of Limitations

The landowner may be required to sign an acknowledgement (that may be incorporated into the Conservation Agreement) of the abeyance of the statute of limitations upon collecting water and other utility assessments.

E. Other Statutory Abeyance Procedures

Nothing in this section is intended to diminish the authority of the County to hold assessments in abeyance under N.C.G.S. 153A-201 or other applicable law.

F. Conflict with Water and/or Sewer System Construction and Improvement Grants

To the extent that this section conflicts with the terms of federal, state, or other grants under which county utility systems are constructed this section shall not apply. This section shall not apply to utilities that are not owned by the County unless the County has entered into an agreement with the entity (ies) owning the utilities and that agreement provides that this Ordinance shall apply.
