

Request for Proposals – Hazardous Tree Abatement

Addendum 1

October 16, 2018

Replace Scope of Services Section 3 in entirety as set out below:

- 3) The contractor shall be responsible for cutting eligible hazardous trees and dangerous broken limbs and placing them in the right of way. The contractor shall make as many cuts as necessary to ensure the debris generated from the tree and limb removal is within the road right of way, but does not obstruct the roadway. The County's Debris Removal Contractor will be responsible for picking up the debris generated from the work associated with this contract. Hazardous Stumps shall be extracted and placed in the right of way. The County's Debris Removal Contractor will be responsible for picking up the extracted stumps.
