SEPTEMBER 21, 2018

This is a debris management message regarding Hurricane Florence.

At this time, Pamlico County has permission to pick up debris in unincorporated areas along public roads.

Vegetative and construction and demolition debris must be separated into separate piles.

Refrigerators and other white goods must have food removed and be sealed with duct tape. Solid waste, household trash is not allowed in public rights of way.

Woody debris must be cut into manageable lengths, no whole trees.

We are working to have final guidance on private roads and municipalities by September 24, 2018. To get on the contact list for debris information, please contact (252) 745-3133.
