

2010 Hurricane Summer Basketball Program

The Pamlico County Recreation Department in conjunction with the Pamlico County High School Basketball program is pleased to invite you to attend and participate in our Second Annual Hurricane Summer Basketball Program.

Each session will include a general practice time in which players will learn and practice the fundamentals of the game. In addition, participants will be placed on skill level appropriate teams and competitive games will also be played.

This program is an excellent opportunity for boys and girls of all skill levels to develop their basketball skills, improve their fitness, and most importantly develop personal characteristics and values that will help them to be successful in life. The Pamlico High School Hurricane basketball goals of "Play Hard, Play Well, and Have Fun" will be emphasized throughout the program.

This year we will have two camps. One camp will be for younger players (3rd grade through rising 5th grade) the other will be for older players (rising 6th grade through rising 9th grade).

Registration fee will include attendance, instruction, play at sessions, and a summer basketball t-shirt. A concession stand will be available during camp. Campers will have the opportunity to order a Hurricanes Basketball reversible jersey if they choose.

The program will be led by the coaching staff of Pamlico County High School with assistance from past and present players.
