TIPS FOR ADJACENT RIPARIAN OWNER NOTIFICATION

CAMA Regulations require notice of proposed development to the Adjacent Riparian Property Owners (15A NCAC 7J.0204(b)(5)). Proof of actual notice (a sign-off by the owner on this form) or certified mail return receipts (showing *delivery* of notice) are needed, or any other method which satisfies the Local Permit Officer (LPO) that a good faith effort has been made to provide notice.

The purpose of this notice is to make adjacent riparian property owners aware of the proposed development so that they have an opportunity to provide comments (or potentially object to) the proposed development, and to give DCM or the LPO an opportunity to consider these comments/objections before a permit decision is made. “Permission” of adjacent property owners is not necessarily required for DCM or the LPO to issue a permit. It is in the applicant’s best interest to provide comprehensive and accurate notice so that any concerns or objections can be resolved early in the permit review process. In addition, if the adjacent riparian property owner appeals the permit decision, insufficient notice could be a basis for granting such an appeal.

Who is an Adjacent Riparian Property Owner?

What is Adjacent? (Note: DCM reads this broadly to ensure comment by potentially impacted neighbors)

- A property that shares a boundary line with the site of proposed development; AND
- A property that fronts a natural or manmade waterbody that is connected to coastal waters and can support some form of navigation, even a kayak or canoe, including a common canal system or a manmade basin.
- Easement holders? Yes, if the easement could be impacted by the proposed development.
- Streets/Roads? Only if the street/road could be impacted by the proposed development. This might include street-ends which might be used for parking and beach access.
- Holders of recognized submerged lands claims/shellfish franchises.

What is Riparian?

Do the boundaries of the adjacent property legally intersect with the water at mean high tide? If there is a question about whether an adjacent property is considered “riparian,” please reach out to DCM Staff or the LPO- especially on the oceanfront beach where there may be undeveloped parcels on the beach or in the water.

Who/What is a Property Owner?

For private individuals (or families), send notice to the address listed on the tax card. If the property is owned by an Inc. or LLC, please send notice to the person listed as the registered agent on the NC Secretary of State’s Corporations Look Up site: <https://www.sosnc.gov/search/index/corp>. For Condominiums or neighborhoods with an owners’ association (HOA/POA), send notice to the association (which is usually a corporation, for which you send notice to its registered agent).

What is Notice, and how do I ensure it is received?

- You can meet with your adjacent property owner, provide a description or drawing of the proposed development, and ask them to sign this form and return it to DCM or the LPO; OR
- You can hand-deliver this form and a description or drawing, and ask your neighbor to return it to DCM or the LPO (consider providing them with a stamped envelope); OR
- You can mail this form by USPS Certified Mail, return receipt requested (the Green Card). If you choose this option, you must provide either the signed & returned green card OR track the certified mail package number on USPS.GOV’s online tracking system, and provide the tracking print-out as proof of delivery to DCM or the LPO

If you have any questions about this process, please reach out to the LPO, DCM Staff and DCM Legal Counsel and we will work to answer your questions.
