

## Pamlico Soil and Water Conservation District

13724 HWY 55 EAST, BAYBORO, NORTH CAROLINA 28515 – (252) 745-5064 X3

August 11, 2017

The Pamlico Soil and Water Conservation District is announcing that it is soliciting contractors and professional firms to perform the removal of stream debris for Dawson and Tarklin Creeks. In addition to those, we will also be accepting bids for Trent Creek, South Prong and Goose Creek. Bids will be accepted between the dates of: August 14, 2017 and September 15, 2017. Funding for these creeks is being provided by the Pamlico Soil and Water Conservation District.

Please reference the following important documents:

- Project maps
- Woody Debris Removal Guidelines, starting on page B1.
- Scope of work
- Project Bid Sheet

Bid responses must include prices for both projects and any without prices will be deemed unresponsive. Bid response must clearly state the total price for completing the project from beginning to end. Debris descriptions are not detailed and should not be relied upon for an accurate depiction of what is actually there.

You can find detailed maps and guidelines at: [www.pamlicocounty.org/soil-water-conservation.aspx](http://www.pamlicocounty.org/soil-water-conservation.aspx)

Target Start Date is October 1, 2017

Target Completion Deadline is February 15, 2017

Project bids sheets must be received by 5:00 p.m. on September 15, 2017. Bid sheets can be mailed to:

Pamlico SWCD, 13724 HW 55E, Bayboro, NC 28515 or emailed to:  
[candy.bohmert@nc.nacdnet.net](mailto:candy.bohmert@nc.nacdnet.net) . Include reference letters, prior work experience, proof of insurance and equipment list. Questions should be directed to Candy Bohmert at 252-201-9077.
