SEPTEMBER 25, 2018

At the September 24th meeting, the Pamlico County Board of Commissioners approved storm-related debris pick up along those private roads that allow public access within Pamlico County. Gated communities will not qualify for debris pickup. Both construction & demolition debris and vegetative debris are accepted, but must be placed in separate piles (no bags, please).

Hazardous waste and household trash are not accepted and will not be picked up. Plans are to activate the contract by October 8th. If you have any questions, you may call the County Manager at (252) 745-3133.
