**HURRICANE DORIAN
NOTICE #5**

Based on the current assessment, Pamlico County will not be picking up storm debris. Please do not place storm debris in the public right-of-way unless authorized by your respective Town or a North Carolina Department of Transportation (DOT) official.

In the past when the storm in question has produced little to no structural damage and construction and demolition pickup wasn't required, we have not picked up exclusively green waste. To get rid of green waste, you may take to the transfer station or dispose of by other approved means. If you live in a municipality, contact municipal officials about pickup within corporate limits. DOT may be picking up debris along DOT rights-of-way. You can contact DOT at (252) 745-3731.
