

Press Release

Pamlico County Hurricane Matthew Preparations

Pamlico County Emergency Control Group met at 1200 hours today with State and Federal Officials and have decided to take the following measures.

- Pamlico County Emergency Shelter will open at 0730 on 8-October-2016 located at Pamlico Community College 5049 NC HWY 306 S.
- Pamlico County Emergency Operations will staff personnel overnight and stand fully staffed beginning 8-October-2016 at 0800 hours.
- State Resources are inbound to Pamlico County to assist local Responders with any Emergency Responses that may occur during the event.
- Local Emergency Management is in constant contact with State Emergency Management Officials.
- Local Responders are preparing for any emergencies that may occur during the approaching storm.
- Pamlico County is issuing a Voluntary Evacuation for residences in low lying and flood prone areas.
- Pamlico County urges residence not to attempt to drive through high or standing water on roadways.
- Pamlico County urges citizens to call **911** for Emergencies.

Chris Murray, Director

Pamlico County Emergency Management
