Pamlico County COVID-19

Media Release #24

Pamlico County Identifies Twelfth and Thirteenth Case of COVID-19

FOR IMMEDIATE RELEASE

Pamlico County, NC- On June 6th, 2020 at 20:00 hours the Pamlico County Health Department received confirmation of two (2) positive test result regarding citizens who were tested for Novel Coronavirus (COVID-19) on June 3rd, 2020. The individuals have been in isolation since the test date.

Pamlico County currently has **Three (3)** persons under investigation for Positive Test Results and **Ten (10)** persons in a **RECOVERED** status.

Pamlico County Health Department and the Pamlico County COVID-19 Task Force are working at this time to conduct contact tracing under State Protocols to make sure anyone who came into close contact with this individual is quarantined/isolated. "Close Contact" is defined as anyone who was within six (6) feet of the individual for a period of ten (10) minutes or more. To protect patient/individual privacy, no further information will be released at this time.

Please stay tuned to Official Sources regarding COVID-19
