

## PAMLICO COUNTY EMERGENCY SERVICES

**Pamlico County COVID-19**

**Media Release # 6**

### **Pamlico County Identifies Second Case of COVID-19**

**\*FOR IMMEDIATE RELEASE\***

**Pamlico County, NC-** On April 2<sup>nd</sup>, 2020 at 09:30 hours the Pamlico County Health Department received confirmation of a positive test results regarding a citizen who was tested for Novel Coronavirus (COVID-19).The individual tested has been in isolation since the test date.

Pamlico County Health Department and the Pamlico County COVID-19 Task Force are working at this time to conduct contact tracing under State Protocols to make sure anyone who came into close contact with this individual is quarantined/isolated. "Close Contact" is defined as anyone who was within six (6) feet of the individual for a period of ten (10) minutes or more. To protect patient/individual privacy, no further information will be released at this time.

Pamlico County COVID-19 Task Force will continue to encourage Utilization of Social Distancing, Personal Hygiene, Online Services, Virtual Business Means, and "Staying at Home" in accordance with Governor Cooper's Executive Order #121 that took effect Monday March 30<sup>th</sup>, 2020.

Please stay tuned to Official Sources regarding COVID-19
