From Pamlico County Senior Services Director Violet Ollison:

Pamlico County Senior Center's first priority is the health and safety of its clients. Due to recommendations from the NC Department of Health and Human Services, we are closing down Senior Center programs and operations beginning Monday, 3/16/20. We will still continue to operate the Home Delivered Meals program and a modified Congregate Nutrition program. If you are on either of these programs, please give us a call if you have not already spoken to a representative. We apologize for any inconvenience in canceling these programs, and hope to begin normal operations as soon as possible. Please continue to check our website www.pamlicocounty.org

Let us know if you have any questions. We will have staff in the building to answer the phones, however we will be closed to the public. Our phone number is (252) 745-7196.
