

PAMLICO COUNTY WATER DEPARTMENT ANNOUNCEMENT

Date: SEPTEMBER 21, 2018

Potable water served by the Pamlico County Water System (PWS ID #04-69-025) has been restored to near capacity. Samples collected from multiple locations within the system have been analyzed in a State Certified Laboratory and found to be free of coliform bacteria.

Based on these results, the continued presence of adequate disinfectant residuals, and the maintenance of consistent pressure throughout the system, the **LOW PRESSURE ADVISORY** issued for **SEPTEMBER 19, 2018** is **RESCINDED**, effective immediately.

The area affected includes: 1882 Olympia Road to 2649 Olympia Road, Craven County Road, Old Cross Road, all of Shinglebrook Subdivision, and all adjoining roads off of the abovementioned roads.

Residents, businesses and industries served by this system are urged to continue to manage their water usage and consumption and report any leaks or problems to the Pamlico County Water System.

Thank you for your continued patience and cooperation.
