Such programs will serve delinquent and at-risk youth for the state fiscal year 2023-2024 beginning on, or after, July 1, 2023. The use of these funds in this county require a local match in the amount specified above. The county can approve programs for 1 or 2 year funding awards, dependent on county approval and programs meeting all requirements.

- 43% of Juveniles were charged by law enforcement at school
- Most were failing some classes, with most also having 5+ days unexcused absences
- About a third reported having negative or delinquent peers
- A significant portion reported bullying and other victimization/trauma

**Applicants are being sought that are able to address items below:**

1. Program services compatible with research that are shown to be effective with juvenile offenders.
